Our winemaking is based on a unique blend of tradition and innovation, however, the backbone to everything that we do is hard work. Román Cisneros, our Cellar Master and employee of thirty years, embodies the heart and commitment that creates our wines. This Zinfandel is from our vineyards in Alexander Valley, McDowell Valley and the Yorkville Highlands. Made in Román's favorite style, it is rich and lush with powerful structure. He unknowingly was instrumental in the blending and production of this wine. Before learning what the wine was to be named, he told us that it had replaced Christo as his new favorite house wine.

The 2015 Román is a gorgeous, Zinfandel-based red. Bright, plump and exuberant, the 2015 offers striking depth as well as freshness. This is an incredibly delicious, inviting wine. Even better, it is a tremendous value. Petite Syrah and Barbera round out the blend. Succulent red berry, spice, leather and floral notes add to the wine's silky personality.

FAMILY SERIES

Our history of family winemaking goes back four generations in Sonoma County. At current count, there have been seven different winemakers in the family. Each has had their own focus and style. The unifying elements have been family, hard work, passion, and a love of the creative process that is winemaking. Our Family Series consists of a Zinfandel, a Cabernet, and a Rhone-style Syrah Grenache blend. All three are carefully crafted from Estate Grown grapes from our properties in Northern Sonoma County, the McDowell and Hopland Valleys, and the Yorkville Highlands.
